

ADDING VALUE

Superior technology for cleaning

Roots SD 430

Single Disc Scrubber

High torque belt driven with 165 rpm, very quiet and vibration free

ROOTS - Perfect from product to service

Key Features

- The motor unit has been positioned towards the front of the machine to provide optimum balance and maneuverability.
- The Roots SD 430 is a high torque belt driven unit which is very quiet and vibration free. The high torque transmission also ensures maximum cleaning performance.
- The chassis is strong and durable and fitted with large wheels for easy transport.
- The moulded shock absorbing brush guard gives all round protection to skirting boards and furniture.

The handle is continuously adjustable to suit every operator

15 metres mains cable ensuring optimum working radius. Cable can be easily stored when not in use

The handle is fitted with three safety features:
1. Dead man switch
2. Vertical handle lock
3. Switch locking button

Simple loading and unloading of brushes and drive disc
