

Réf. 8 11 017

Zéphyr

General Specifications

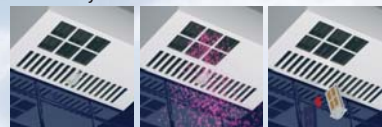

Robust; ABS-PC
 Low power consumption Universal motor
 Automatic operation
 Power 230 50/60Hz 2300W
 Airflow 190 m³/h with sound level 65 dBA
 IP23 Class II, EU, OC safety standards

Reference	Designation	Color
8 11 017	Anti-flammable, 2300W	Off white

Capsul odor neutralizing diffuser

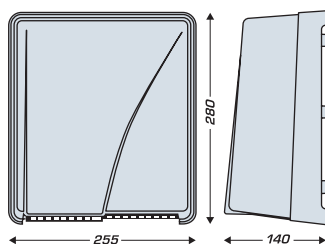

To kill foul air & improves air quality
 Economical and simple to install
 Environmental friendly; no gas, no electricity
 Diffuses through airflow from hand dryer
 Efficiency minimum 3 months

Reference	Designation
8 88 417	Cedar
8 88 418	Bloom Orchard
8 88 419	Papaya

Réf. 8 11 005

Rafale

General Specifications

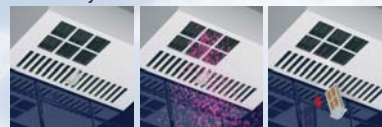

Robust; ABS-PC
 Induction-rotor motor
 Automatic operation
 Power 230 50/60Hz 2600W
 Airflow 300 m³/h with sound level 60 dBA
 IP23 Class II, EU, OC safety standards

Reference	Designation
8 11 005	Rafale automatique

Capsul odor neutralizing diffuser

To kill foul air & improves air quality
 Economical and simple to install
 Environmental friendly; no gas, no electricity
 Diffuses through airflow from hand dryer
 Efficiency minimum 3 months
